

Good Evening CHS Families,

We will be holding a partially asynchronous and partially synchronous Back to School Night on Thursday evening from 7pm - 8:30pm to welcome all parents to the 2020-21 school year and to give you the opportunity to meet your child's teachers. Here are some important logistics so we can pull this first-ever Virtual Back to School Night off smoothly.

1. You will log into your Schoology account and click on your profile name, drag down to Catonsville High School on the drop down list that appears under your profile name.
2. There will be a video link on this page along with a welcome message. You do not have to watch the video exactly at 7pm. In fact the video link will be up for a month so feel free to watch it at your leisure and when time allows if you are not able to on Thursday at that time. The video will include introductions from our PTSA, Booster Club, a message from our Student Sharing Club and a brief welcome address from me. This is the asynchronous part of the evening.
3. At 7:30pm, parents will have 5 minutes to log into their child's 1A class. This will be done through Schoology and parents will go to each of their child's four class pages. Teacher presentations will be 10 minutes. We will give all parents and teachers 5 minutes in between each "class" to log out of a meeting and log into the next. This is the synchronous part of the evening.

4. Here is the schedule for synchronous Google Meet sessions for each class:

1A - 7:35-7:45pm

2A - 7:50-8:00pm

3A - 8:05-8:15pm

4A - 8:20-8:30pm

Take care and we hope to "see" you on Thursday.

Mr. Ames
