

Good Afternoon Parents of the Class of 2024,

We will be holding our traditional Freshman Parent Information Presentation prior to Back to School Night this Thursday evening. This will be a live virtual event. Please click the link [Freshman Parents Information Meeting](#) at 6:25pm (or shortly before) on Thursday so we can accept everyone into the Google Meet and we can begin promptly at 6:30pm. We will go over some general information and announcements from administration, our school counseling department, and the class advisors. We will also be answering questions you may have after the first week and a half of Virtual Learning and about CHS in general.

We hope you will be able to join us. Back to School Night will begin at 7pm and will go until 8:30pm. Specific information about our all-grade level Back to School Night will be sent in a separate email.

Take care,
Mr. Ames
