

Each high school will offer the PSAT for 11th grade students on Tuesday, January 26, 2021. This is not required. This is an opportunity for students to practice for the SAT and potentially qualify for college scholarships based on their PSAT score. For high schools, January 26 will be an asynchronous or independent learning day. If your 11th grader would like to take the PSAT, please complete the [PSAT Participation and Transportation Form](#) by next Wednesday, December 16. The form is also available on the BCPS home page under “For students and families.”
