

CATONSVILLE HIGH SCHOOL, 2020-2021

In the 1st semester – there will be 100% Virtual Coaching

Coaches will be given 3 specified sports season windows to engage with their student athletes virtually.

Fall Season: Sept 8th- Oct 23rd

Winter Season: Oct 26 – Dec 11

Spring Season: Dec 14-Jan 29

This was put together so that students did not have to pick between sports and coaches.

We will continue with our normal procedure of registering on Form Releaf, getting physicals and other necessary paperwork to confirm student health, safety and participation.

This will not be a tryout period nor installation of a sports specific plan. This is about engaging, supporting and reconnecting with our student athletes.

In addition, the Office of Athletics will be providing virtual workshop opportunities.

In the 2nd semester we are aiming for the restart of high school athletics

We have taken the remainder of the school year (2nd semester) and divided it into 3 seasons. The season dates and order will be announced by the MPSSAA in early September.

Each season will provide a window for conditioning, team selection and scrimmages. There will also be a competition window.

This model will also be implemented in our Allied sports program.

Stay tuned for more information in the near future!
