

# AP US History 2021-2022

Welcome to AP US History!

Over the summer, we do NOT have a summer assignment 😊. We hope you can rest, relax, and refresh before we begin our new school year.

However, we did want to send out some information about our course text. We will be using the **AMSCO United States History: Preparing for the Advanced Placement Examination (2020)** textbook, which also doubles as a review and exam prep book. Students will be provided with a digital, PDF of the textbook at the start of the school year to download to their devices to use for homework and test prep.

If you would like to have a hard copy to highlight and mark up, our text can easily be ordered from one of these sources:

- Buy it directly from the publisher [AMSCO \(Perfection Learning\)](#) for \$19.95 plus shipping
- Purchase it from [Amazon](#) or other online retailers

*\*\*Note: please make sure you order to **3<sup>rd</sup> edition (2020)** of the textbook – the newest 2021 4<sup>th</sup> edition has been revised and does not align with the version we use for class. If you can't find the 2020 edition, the 2016 or 2018 edition will also work.*

If you are interested in purchasing your own copy of the text, it is advised to order it sooner than later – shipping can take longer than expected, and we will be using the text the first week of class.

Have a wonderful summer!

- Mrs. Miller and Mrs. Fitch-Miles
